Attention: Mr. Christian Rackl, Manager Quality and Safety

Dear Sir,

Aerotech Aviation Pty Ltd is hereby provisionally approved as a Bermuda Approved Aircraft Maintenance Organization (AMO) to perform maintenance on Bermuda registered aircraft.

Approval Number BDA/AMO/707 has been assigned to your organization. A Certificate of Release to Service (CRS), must be issued to Bermuda registered aircraft in accordance with OTAR Part 43 Subpart C.

Approval BDA/AMO/707 is limited to those products and activities as specified in EASA reference: EASA.145.0762 and is valid until 1 February 2017.

Upon successful completion of an audit of your facilities and payment of the appropriate fee, the Approval Certificate and Schedule of Approval will be forwarded to your organisation.

Yours faithfully,

Christopher Lennon,
Senior Airworthiness Inspector
